

On 7-8 October, 2021 the Faculty of Economics of the Technical University of Košice in Slovakia organized an international conference, which was attended by more than 100 experts from 8 countries (Slovakia, Italy, Moldova, Hungary, Romania, Armenia, Romania and Tajikistan). And SAVE START-UP was there! The theme of the conference was "Building Smart Communities for the Future", a topic also related to entrepreneurial and start-up support. The SAVE START-UP project was presented to the professional public in the session devoted to "Smart education and HRD".
